Owners of SI chips are asked to provide their SI card number when registering. Rental chips will be available in the competition center (rental fee € 2,-, security deposit € 30,-).
- The event is carried out in accordance with the competition rules of the Austrian Orienteering Federation. For the classes D21-E and H21-E the Competition Rules for IOF Foot Orienteering Events apply in addition, and supersede the national rules where applicable.
- The Austrian Orienteering Federation and the organizing clubs assume no liability for any damages that occur, including those to third parties. All participants take part at their own risk.
- The competition area is embargoed until the competition. Public roads are excepted from the embargo.
- Traffic, forestry and nature conservation laws apply.
- In case of cancellation of the event, neither the Austrian Orienteering Federation nor the organizing clubs assume any liability for costs incurred.

Anti-Doping

By participating in the event, all athletes agree to comply with the anti-doping regulations of the Austrian Federal Anti-Doping Act 2021 as well as the relevant regulations of the responsible national and international sports associations (in particular the statutes and competition rules). An athlete is defined as a person who is a member or licensee of a sports organization or an affiliated organization or who was a member at the time of a potential anti-doping rule violation, or who takes part in competitions organized by a sports organization or an affiliated organization supported by federal sports funding. Further information about the anti-doping regulations can be found on the eLearning platform of the National Anti-Doping Agency (NADA Austria): <https://aktiv.nada.at>

The hosting organization and the organizing clubs and the host strictly reject doping. As a participant, you certify that you have not taken or used any prohibited substances or prohibited methods for doping purposes. Information on whether a medication or treatment method is prohibited can be found here: www.nada.at/medizinabfrage This service from NADA Austria is also available as a "MedApp" for Android and IOS.

If it is necessary for a participating athlete to take prohibited substances or use prohibited methods following a medical or dental diagnosis, athletes in the test pool must apply for a medical exemption in advance. All other athletes are also strongly recommended to keep all medical certificates and findings for any retroactive medical exemption. You can find further information here: www.nada.at/medizin/krank-oder-injury

Data Protection

Use of personal data

The participants in the event expressly acknowledge or are informed in accordance with Article 13 of the General Data Protection Regulation (GDPR) that the following personal data disclosed to the organizer by the participants themselves or third parties who register them (e.g. their association) will be used for the purpose of fulfilling the contracted participation in the event by the Austrian Orienteering Federation (ÖFOL), ZVR 058906876, Haus des Sport, 1040 Vienna, Prinz-Eugen-Straße 12, Tel. +43 (1) 505 03 93, email: office@oefol.at, as the hosting organization and therefore responsible within the meaning of Art 4 Z 2 GDPR, i.e. collected, recorded, stored, used or disclosed to third parties through transmission or distribution with or without the help of automated processes:

- Name (given name, surname)
- Address details
- Birth date
- Health data
- Performance data
- Club affiliations
- Contact data (e-mail address)
- Chip number

This data is needed in order to provide the contractual services, without which this is not possible. The data is processed for the duration of the contract fulfillment or legal retention obligations. The data will only be passed on to third parties for the purpose of fulfilling contractual or legal obligations. You have the right to information, correction, deletion, objection and data transfer as well as the right to complain to the responsible data protection authority (at www.dsb.gv.at). You also have the right to revoke your consent at any time, although despite your revocation, data processing may still be permitted based on other legal grounds. Appropriate technical and organizational measures have been taken to protect your personal data.

Further information

Further information on data protection as well as our data protection declaration can be found at: www.oefol.at/datenschutz

Photos, image and sound recordings

If we or third parties commissioned by us or other people take photos or other image and sound recordings of you during the event (including the preparation, follow-up and travel to and from the event), we are entitled to their publication, distribution and reproduction without compensation, use and exploitation by us as the person responsible and the photographer, including your name and function as well as your competition results, provided that this does not affect your legitimate interests in your own image (this is at the least not the case if you use ours enter the event premises or you as a participant are photographed or filmed while taking part in the event or if your name is mentioned under your photo, on the list of participants or in media reports, and to this extent you transfer the (use) rights to which you are entitled in this regard free of charge to us as the body responsible or the photographer of these materials.

This applies in particular also to the use of these materials for (including commercial) advertising purposes by us as those responsible, of whatever kind and in whatever (image and sound) format, for example the club's own homepage, published (media) reports or other printed works or media (including in electronic form or in social media) or advertising.

Sports results management

For the fulfillment of a contractual or legal obligation of the organizing body responsible in accordance with Art GDPR, personal data is stored, processed and made publicly accessible to the extent that it is required for participation and/or performance/ result recording and results management in connection with registration and participation in (sporting) events (e.g. competitions but also training and exercise units) in accordance with Art. 17 Paragraph 3 in conjunction with Art. 89 GDPR for archiving purposes in the public interest and in the legitimate interest of the responsible body, in particular for the documentation and promotion of its services or its history.
